“*Lynette, grateful to know you better these last few years! You exemplified a quiet feminine dignity the gracefully counterbalanced boisterous Debrowski men. You're early passing reminds me to enjoy family and friends more fully, as they represent the "hint of heaven" that hopefully awaits us all in God's loving arms! Love you cousin in Christ... Joe Debrowski*

“ *I don't have many memories. Our family seems to have a way where the only time we keep in touch or talk is after someone dies and the moment the memorial is over with everything goes back the same. The few little memories that I do have I'm gonna hang on and cherish. At this time I'd like to offer my condolences to my uncle and his children, as well as to anyone who's life was touched by my aunt. I can't be there at the services due to living in Tennessee but sending lots of hugs, kisses, fist pumps!*

*and He shall wipe away every tear from their eyes; and there shall no longer be any death; there shall no longer be any mourning, or crying, or pain; the first things have passed away*

“ *My fondest memory is of Lynette and I spending our lunch together during school lunch at St. John catholic shool on Grand Blvd, walking to her house to eat lunch with her family. She was the first friend I had at that school. We talked about everything over the years. Prayers for the family, she was the kindest person I have ever met. She will be missed.*
