“ I am so so sorry Sue Marcil-Ardanowski. My prayers are with you. Your mother couldn't have had a better daughter, advocate, soldier, or friend by her side. You are absolutely amazing for fighting so hard for her. You have given her so many blessed years and never failed her. No matter what you were experiencing in your life you always dropped it for her. Your mother knows all you have done. I love you and you are my superhero❤️

“ *When I was very young, I was told that I could not pronounce Loretta; therefore, "Auntie La La" worked well for me! Many fond memories come to mind from childhood times boating on Lake St. Clair, spending time at Dubies Resort in Wolverine, Annual Winarski Christmas Parties and playing pinochle with Auntie La La, and her family! Thank you for being my Godmother....you were loved very much, and you'll be in my heart forever. Give hugs to Shelly, my Dad, my brother Ken, Uncle Ray and my Aunt Helen....they too will welcome you to heaven with open arms!*
