“ Mike, So sorry to hear of Loretta's passing especially in light of her medical problems, which she bravely faced in recent times. I know you must have at times wondered how she really felt about your boundless collections of all the wonderful cartoon and fictional characters that have brought so much joy to the children and collectors into whose hands they now reside including yours. I think you can rest assured that she enjoyed them as well in her own way and if we could somehow give them a human voice, they too would grieve her passing. You have our deepest sympathy, old friend.

“ *I have such wonderful Jaycee memories with Mike and Loretta - true leaders in the Jaycee community. Loretta had such a huge heart and a love for life and her family. She made the best cannoli/cannolies that I ever ate. She was a strong leader, a good friend, and a tremendous wife and mother. I will miss her and always remember her fondly. With love and friendship! Gayle Wolf*

“ *Over the years I have had some wonderful conversations with Loretta even though we have not seen her much in the last few years. She will be missed by all who knew her, but especially her family. When we see people do the polka, there is always the thought of her and Mike and how smooth they were doing that dance. Our thoughts and prayers are with the family for peace and comfort. Fondly, Tony and Jeanette Nitsch*

“ Dear Mike and family, I am so sorry to hear about Loretta. We talked many times on the phone but I wish I had met her in person, I know we would have been good friends. The miles separate distant families, but we all still appreciate that bond of belonging. Bless you all. Love Rosemary Fetter, Bradenton, Florida
