“ *Aunt Loretta wasn't just my Aunt she was my friend...I have so many wonderful memories through the years, some very sad but mostly happy...good times and bad times we went through as a family...I'm going to miss our many phone calls. never shorter than an hour or more...her motto was "always do the right thing" she and Uncle Stas did set the example for all of us to follow...I'm going to miss her, our talks and her laughter...I consider myself lucky to have had her and Uncle Stas in my life but I know she is without pain now and with the many family members who have gone before us...She is at peace now in the Lords house...I Loved her and will miss her until I join them all, my family...Love you Auntie....*
