“ Evelyn Paul- a niece  
*Here's just a few number of good times I spent with Aunt Loretta. She was really a good friend to me while I was a student in nurses training at St Joseph's Hospital in Ann Arbor in the early 1950s . She would pick me up on my day off and take me away from the hospital and occasionally lend me her ID card when I was not old enough to get into special places and have fun. I also enjoyed the visits she and Hank made to Florida for many years in the winter time to enjoy the gambling, flea markets, gambling, tourist attractions and gambling. On one of those trips she made a big pot of her delicious galombki. I lit a candle for her safe travels at our church chapel and will miss her very much.*

“ *I was just reading the memorys, i see Loretta will be greatly missed.You know death can be a uncomfortable subject.Some feel that death ends it all because death is a fearsome enemy many believe nothing can be done. But if you turn in the Bible(Isaih 25:8)it reads God will swallow up death.also read (Titus1:2)we have the hope of everlasting life. read (1 thessolonian4:13) for more info ww w.JW.org*

“ Auntie Loretta was great person and just loved to dance. On one of my visits to their home, she convinced me to go with her and uncle Hank to a dance hall. She taught me to dance and have fun. I enjoyed her company very much We will miss her being around But I will always treasure her smile.

“ Auntie Loretta is my all time favorite aunt. I remember visiting and spending the weekend and she took me to my first movie the Planet of the Apes. She always made us feel special and always made us laugh. You will be greatly missed. I know mom and dad and bob will be waiting with open arms ready to give hugs of welcome. You always have had and will always have a special piece of my heart. Love your niece Pam (Strzelecki) Chojnacki.

“ Our family home was right around the corner from the Szyndlar family in Detroit. We were the same ages and often played together. Mrs. Szyndlar was the Mom who could drive so she would take us to the movies, swimming at Lipke pool and many other adventures. Even though she worked she would always be willing to let us have sleep overs. When my Dad died at a young age Loretta was a great source of comfort to my Mom. Loretta and the neighborhood Ladies were always playing cards,going to bingo, and of course the casino. She was a kind and generous lady who will be fondly remembered and greatly missed.

“ It's pretty common for Mother-in-laws getting a bad rap, being the butt of jokes and such. My Mother-in-law "Loretta" was an exception to the rule. She didn't interfere, when she might have wanted to. She was supportive and helpful throughout. A really hard worker with strong family values.  
And best of all she raised a wonderful daughter - My wife Marlene. You'll be missed...
