“ Mrs Trozak was a wonderful person. As kids growing up on the next street she welcomed us to swim in their built in pool. It's where most of us learned to swim and dive off the board. How generous she was to allow this.

My heart goes out to the family at this time. Your mom was very kind and will be remembered in my heart.

“ To my dearest friend Doug and his wonderful large family - I can remember hearing your Mom say she looked forward to joining Ralph so they could fool around together again. There is no doubt your parents are at wonderful peace with God. My prayers for your heart and your family. Always...Jil Gordon
