“ Lori was a wonderful and loving wife, sister, daughter, and aunt. Lori had a kind heart and she cared deeply for her family and friends as well as her pets. She was a good friend to many people. We remember going to her and Scott's wedding. She was a beautiful bride! It is hard to lose someone close to you and more so when they are younger and their death is so unexpected. We are truly sorry about Lori's passing and we pray she is at peace with God. We are also praying for God to give Scott and the rest of Lori's family the strength they will need at this difficult time.

“ Lori and I go way back, when she started working for Clawson Transportation. The students always liked her to drive them. She gave them pizza on Fridays. She cheered with the cheerleaders. We drove around a lot while on the same night trips. I will remember Lori. My prayers go out to her Family
