“ Dear Aunt Lorraine, all of the Hoovers, and extended family:

*I am sorry to learn of the passing of another of our family. My heart goes out to all of you from my consulting post over here in Sri Lanka.*

*For the more elderly among us, I recall going to Grandpa Karle's and playing with Warnie and all of the sibs. I still tell the story of the toy closet. As a parent and now grandparent, I appreciate how that little ploy, "Stay out of that closet", worked to keep we wee ones out of the living room and adult conversation.*

*Love to you all.*

“ Dear Grandma,

*Happy Birthday! :) Now you are in heaven, reunited with your loving husband and family, smiling down on us as we smile up at you. Thank you for the countless blessed memories and opportunities for teaching me how to be a loving granddaughter, daughter, wife and one day mother and grandmother if I am so lucky. I miss you so much, but am glad to have had the chance to know you. One day we will meet again to continue our conversations. Until then, I will always remember you in my thoughts and prayers and know you are looking down on me and my family.*

“ Although I had never met Lorraine, I met a family who I realized very quickly how much love and respect they have for her. It was an honor to meet such a fine family group, from aunts and uncles, brothers and sisters, mother and father, ect. My heart goes out to everyone, for I know how much she will be missed.-

“ *Dear Sweet Aunt Lorraine,  
We celebrate your life and having had the good fortune of having you in ours. Childhood memories of you are golden and will always bring smiles to the faces of your nieces and nephews, especially those memories of Christmas nights on Wilfred Street. (How did you ever put up with all of us? Perhaps it was the "high balls?")*

*May you, dear cousins, be comforted in this time of great grief in your lives. You mom was the best and her best is reflected in each of you.*

*God bless.*

*Love,*

“ *Though the voice is silent, the spirit still echoes.*

*That endearing voice, the sparkle in your eye, an infectious laugh, a beautiful face.*

*Treasured memories of running around the dining room table on Wilfred Ave.; Marysville picnics; vacations in Lake City; family celebrations in the basement with your German potatoe salad(the best ever); Sanders' pennuche icing on a cake; and that wonderful summer visit in 2006. You & Stell & I laughed and shared current and past family stories and history.*

*May your spirit soar on the wind and "take you to that 'poker table' where those other kindred spirits are waiting to deal you in, to play "chase the Ace".*

*All of us, whose lives you have touched from early childhood will miss you dearly.*

*We celebrate your life.*

*Love, Joni Karle-Mansfield###imported-begin###Joni Karle-Mansfield###imported-end###*

“ My thoughts and prayers go out to all the Hoovers and all that knew my dear Aunt Lorraine.

*When I think back on my childhood, images of Lorraine make up much of it From her I learned the value of family, patience and kindness. I remember hanging out with Bobby and sleep overs, Marysville and Lake City. I can see her now sitting at the kitchen table dispensing her "Karle" wisdom and dry sense of humor. Yes, great one liners!*

*I am sure she is now enjoying the company of those that went before her. Somewhere in heaven there is a great Lake City fish fry (most of the fish caught by uncle Warren of course.*

*We will miss you Aunt Lorraine but we know we will all be together again.*

*Rest in peace my dear*

“ My dear sweet grandma, you will forever be in our hearts. The love and support you have given to each of us goes beyond words. You were an amazing woman. I feel like I lost one of my best friends.

*When I was sad all I had to do was call you and were always there to comfort me. You had a heart of gold and a smile that would light up the room. I will always remember the times I got to stay the night with you, and of course all your little quotes and one liners that would make anyone laugh. For example, "If I looked like that I would throw myself in the lake". You will always be in my heart. " I love you, a bushel and a peck and a hug around the neck and a barrel in a heap and a talking in my sleep about you. I love you grandma, love, your little Julie Marie.##imported-begin##Julie*

“ Grandma-

*Words cannot begin to describe how I feel right now. It seems like just yesterday I was sitting in your kitchen eating cookies and drinking Pepsi cola...You taught me so many things about life that I never could have learned from any one else. You were the sweetest, kindest, funniest woman I will ever have the pleasure of knowing, and for this I am honored to be your name-sake...Up-north will never be the same without you. I love you and miss you dearly, and I know that you are looking down on us from heaven. I will never forget you.*

*All my love,*

“ *The time we knew each other was short, but I am thankful that I had the opportunity to know you the little that I did. You always had a smile, a good sense of humor, and always laughed. I would like to thank you for raising such a wonderful family, they have shown me nothing but love and kindness. I will be honored, to one day become an official member of the Hoover family, although I already feel accepted as one. I know you will be missed by everyone but it's comforting to know that you will be finally reunited with family and especially your loving husband. God has a special place for you in heaven and we will all see you again one day. We will take comfort in knowing that your spirit will always be in our hearts and that you'll be watching over us to guide us and keep us safe.*

“ My dear sweet adorable Grandma Hoover  
I will always cherish the memories I have with you. I will always remember our trips to Lake City, Cadillac & Ludington, and picnics in Marysville. I remember all the Christmas and New Year's parties in your basement ("The Silver Tree"), and all the sleepovers. I can still see you in our basement when you showed me how to push myself in my brand new wagon. I can still hear every little one-liner in my head that made me laugh so hard. You are the one who introduced me to the soda sundaes. I remember the look and smile on your face the first time you laid eyes on my little baby Jason. I will forever be grateful for having you in my life. I am truly blessed to be a part of this wonderful family that you took such wonderful care of. I miss you and love you so much. Now you can once again be with Grandpa and your family that you missed so much.

I love you##imported-begin##Michelle##imported-end##

“ *My Dear Mother-In-Law, Thank you for always giving me your love, respect, kindness, and support. You not only touched my heart but also my very soul. I will forever cherish our many wonderful talks of life, love, and family. I will miss your quick wit and even quicker lip. I will especially miss your warm greetings; followed by a little chuckle, accompanied by that big smile on your face that you always had for me...Priceless! Thank you for not only becoming my mother-in-law, but for also becoming my friend; sharing your inter- most thoughts and for offering sound wisdom and good advice. I want to especially thank you for bringing Diane, your daughter, my wife, into this world. And for that I will be eternally grateful. May God bless you and may you rest in everlasting peace.
