“ *I am a former graduate from WHS with Lota. Recently I have enjoyed Lota's postings on Facebook. She was obviously a kind, loving woman who cared about the world she was living in. I am sure she will be missed.*

“ Lota you were so much more than a friend to our family. You and Frank and Bobbie were one of our first visitors when Robyn was born. You are Aunt Lota to Robyn. We rejoice knowing you are safe in the arms of Jesus and we will see you again someday! Go rest high on the mountain!!!!

“ Lota was one of the first cousins i met as a young girl. She was my mother's oldest neice. A wonderful mother who brought her baby daughter to our house to visit her aunt. A wonderful photographer, family historian and ordained minister. She will be missed!

“ *I remember Lots from Warren High. I didn't know her that well but she always had the sweetest smile on her face when I passed her in the hallway.*

“ *I have so many memories it's hard to pick. Ma would call me after I posted ice fishing pictures and finally said I want to go. Chris & I made sure she was bundled up and gave her ice cleats to put on her boots. She caught the biggest fish that day and she loved it. We took her a few times. She also loved going out on the boat with us to fish. It was also a blessing to me having her marry me & Chris in 2016. What I'll miss the most is our phone calls she always had an ear for me and she knew I always had an ear for her. We've spent many hours venting, crying, laughing, sharing through it all loving. She wasn't blood but we were definitely chosen family. I love and will miss you Ma with all my heart.*
