“ I worked with Lottie at Garden City Hospital. She was so much fun. I'll never forget her. I always wished I could be related to her lol. Joe was wonderful too. They gave me a ride home several times. It was an honor to know them.

“ Aunt Lottie and Uncle Joe would drop in and visit on holidays, special occasions or just anytime. My parents Delmar and Dorothy Wolff loved it! She was always doting on us kids and it always embarrassed me. I will never forget it and always appreciate it. Thank you Aunt Lottie. From Your Nephew Joe Wolff.
