“ My thoughts and prayers are with you as a family over these passing days. Remember to take the memories of your mother, your busia, cherish them, but most importantly, remember how special she made you feel as an individual, that special twinkle in her eyes, her love, kindness, words of wisdom. Pass these along to the special people in your lives so that someday, your loved ones will feel your hand print of love on their heart, as you feel hers today. It will be the greatest gift you give in her memory. God Bless you all. ##imported-begin##Mary##imported-end##

“ Lottie was probably the sweetest person that I had the privilege to know.  
She always had a smile and a hug for me when I picked her up on the Dial A Ride Van.  
I will miss her...I loved this thoughtful and caring lady.  
God Speed Lottie.....
