“ Annete & Monica:

Sending you my deepest sympathy at the loss of your mother. I would have attended the wake and funeral had I been informed of her passing. Your mother was Paul's godmother and so we have a history. The Szymanski family ad I go back to teenage years. If possible, extend my sympathy to your father. You are all still my nieces and nephews, a divorce doesn't change relationships. Too bad we couldn't share the good times weddings and births since I have only seen you at funerals. Again, I am sorry for your loss.##imported-begin##LauraJane Hill##imported-end##

“ Lottie has been our neighbor for over 20 years. I couldn't ask for a nicer neighbor. It was always nice to see her sitting on her front porch reading a book. We shared a love of reading and we often exchanged an especially good book. A sweet real lady who will be missed. Rest in Peace, Lottie.##imported-begin##Joann Plocinik##imported-end##

“ Although I have not "really" been a member of the family for many years, I want to say that Lottie was a great person and definitely made a difference in my life. Naturally, she was also an ongoing influence in the lives of my three children. I will miss Lottie, and my sympathy goes out to the rest of you, who will certainly miss her greatly.##imported-begin##Willow Ward##imported-end##
