“ Aunt Lottie will be dearly missed. I will always remember bringing my daughter up to see her at Christmas time. She lit up so bright when she got to meet her Great Great Great niece.##imported-begin##Shannon Luft##imported-end##

“ Suzanne -- Sorry but pleased to hear of your mother's passing into a better world. Having been there, I know the mixed feelings you are now experiencing.

Hope to see you soon.

“ I had the honor of helping to care for Lottie in her home up until the last few months of her life. She was always a sweetheart, often sparing her nurse (me)the details of things that bothered her unless I or Suzanne convinced her to give up the details. She had such a kind demeanor and that transcended as you spoke with her she always seemed so very interested in what people had to say. Her daughter Suzanne is a Godsend and allowed Lottie to remain in her own home safely until the end and put her life aside while she and her husband helped Lottie to stay there unharmed. Lottie will never be forgotten and I will try and make it to the funeral home on Friday to pay my respects to her and the family.##imported-begin##Dina Bianga##imported-end##
