“ We sure had some good times in the "old" neighborhood. We'll never forget some of those trips we took with your motorhome.

“ Lou hired me at St. Joe's church nearly 16 years ago. It was a cutting edge move since very few churches had a communications person at the time (now it's very common!). He took a chance on me and I was grateful for the opportunity to share my gifts with the church. Thank you Lou for your trust, your guidance and your friendship! Rest in the peace of Christ, brother. -Suzie
