“ Her picture says it all. Full of life, happiness and that mischievous grin. She gave me many great gifts: as an employee, respect and support. As a friend: love , laughter, memories for three decades and an introduction to "crack", her chocolate covered popcorn. I will, also, never look at the 24th or 25th of any month without her reminders of how many more months till Christmas. The terrible gifts she gave me are sorrow and anger. In honor of her faith and devotion, I will try to let them go. Bless her wonderful husband and family. Rest in peace, mon ami. Love you, Jenny

“ <https://youtu.be/4psuNa9yhrM> ---Watch Louise's video segment--- Louise was always so kind and receptive to helping us educate our community. She was featured on our local cable channel in a segment of "In Good Health with McLaren Macomb". Louise had such a light sense of humor and positive energy. We will miss her. Rest in peace, Louise.

“ #15 OH CAPTAIN, MY CAPTAIN "WE ARE" and always will carry your Heart, your Spirit and that Laugh with us always! JUST Ten of us, plus Coach K & Brownie, share a bond very few get to experience! For a time in our Youth we were a very big part of each other's lives, at least for me, during a time of defining moments. Louise and I went from competing in Jr. high to Teammates, culminating in a 1978 State Championship in Basketball our junior yr. Heading into Senior year we not only had a target on our backs, we also we afforded great opportunities like playing before a Pistons game and many accolades. I can't imagine anyone else leading us besides Captain Louise! Not quite sure how she put up with me & my, well let's say nicely, over the top personality. Thank you! Most of us were fortunate to have gotten together in Dec. 2018 to be recognized by LCHS and celebrate our 40 Yr. Championship Reunion. I knew it was a moment I didn't want to miss, I delayed a move out West to attend, I just didn't realize how much that time spent would come to mean. Thank you Coach K & Tracey! How grateful I am to have spent that time with my teammates. Louise and I laughed about what she wrote in my 7th grade yearbook, looked through a Scrapbook with her Mom and mostly reminisced during an afterparty! Again, that Laugh! My deepest condolences to Andy, her Mom & the entire Chauvin/Bommarito Families! Cindy Mitzel #44 "WE ARE"

“ It has truly been the honor of a lifetime becoming your friend and then your nurse. I will miss our weekly wine Wednesdays and talking about all the crafts we had planned. The example you have given me to grow in faith will never be in vain. I will always make sure Andy is ok. God brought me to you both to give me a priceless gift. I love you forever and a day and will see you again someday.

“ I went to high school with Louise, and remember the Chauvin family. I was a freshman when Louise was a senior, and what I remember most about her from then was her smile. She was friendly to everyone and she seemed to radiate joy. Fast forward to 2006 when we met again, this time she was my Lymphedema therapist. This was all new to me and she brought me such comfort in her knowledge and in her sense of humor- she wasn't just my therapist but she was a trusted friend during this time. We laughed a lot during our sessions-she had such a quick wit. It was during this time that I learned she was married to Andy, which at the same time she learned Andy was my first boyfriend in high school. Small world...all I can think is how perfect God's plan was to bring those two together. Both such good and kind people that I feel blessed to know. From the short time I got to know Louise I feel I got to know a little of her heart and what a big heart it was. My prayers go out to Andy and all her loved ones. May God's peace be with them during this time.

“ For all you knew and loved Louise, our lives will be less brighter. She was an extraordinary woman. Courage, strength and faith were only a few traits that made her outstanding. The love and care that she gave Andy was above and beyond. She will be missed but always in our hearts 💕💕.

“ Louise, your smile and laugh was infectious, I can hear you even now as I remember the fun times we shared many years ago. Most memorable time was when all the girls went to see Mamma Mia and we all got up and sang in the theatre. Rest with Jesus now! Cheryl & Joe Sarnecky

“ I've loved this lady since the first day I met her. I remember her dancing with her sisters at her wedding in a circle to "we are family" 🥰... she dragged me out there insisting that her and I were family too. And how bout that hug!! Best hugs in town. I've golfed with this beautiful sole. She's my partner in crime. She taught me lots. I've always felt her heart shining on everyone one she cared about. Louise loved out loud. I'll be on my best behavior to insure our paths meet again. My life is better for knowing her. What a wonderful example of a human being, wife, sister, daughter, friend and of course my sweet niece. Well love you always Weezie. You're in our prayers. Sending love and prayers for strength and healing to you Andy. We love you both. Aunt Terry And Uncle Robert Bommarito

“ Louise dedicated her life to the service of others. And she was the most selfless person I've ever met. I loved making her laugh, and took extra pride if I could get an "Oh Dan, that's bad!" out of her. I regret not visiting her these final months. But I needed to remember her as I knew her, the energetic, strong, indomitable spirit that was Louise, and no semblance less. Rest in peace beautiful soul. Dan Durecki, MPT

“ My dearest friend. Your friendship meant the world to me. You stood next to me on my wedding day, celebrated Christmas at the annual ornament exchanges (your cannoli's were always a big hit), loved my boys like family and let them call you "Aunt Louise", and met me for lunch every chance we could. No words can express how much Jeff, Matt,, PJ and I will miss you. Rest easy my friend

“ Louise was my mentor when I was a new physical therapist assistant so many years ago. She led the way when we both went back to PT school (she went first, I followed the year after) . She was always rocksolid and steady, the most amazing therapist and she became one of my most treasured friends. She was a leader, a great wife and a great friend. Louise, I still remember when you stole my hand lotion that I needed so badly, that wasn't nice lol. We have definitely lost a beautiful angel. Rest in Peace, Weezie, I Love You Forever.

“ In High School, Louise was the big sister I didn't have at home. She was wiser and more mature than the rest of her peers .. but also funny and very kind. I hated to let her down in practice - both track and basketball... because I looked up to her... she was a role model. Love you Louise!
