“ My deepest sympathy for your family, I'm friends with one of Louise's granddaughters Stefani Miller and I knew her grandma. The biggest thing I remember about her is her love for her family and friends and her love for God. She was a sweet and beautiful woman and she will be very missed and loved. As a matter of fact her whole family is wonderful and she will continue to be a wonderful person well now an angel looking over her loved ones. Much love and deepest sympathies Sarah Woelke

“ Louise was the grandmother (mumu) of my best friend Angela Yaeger. Over the years I got to know her at family gatherings at Angie's. She was a beautiful person. I loved the fact that she was always smiling. She was a great person. I'm so glad to have known her. May she rest in peace.

“ Beautiful, beautiful photo. And that's how she loved life. Always a smile and a kind thought. Loved playing games with her in the afternoon. Enjoying precious thoughts of her and her contagious laugh. She loved and prayed fervently for family and friends every day. I sat across the table from her in bible study. I will and do miss her. She truly blessed my life Her smiles her kindness. Her laughter. She was very special to me. Love. Cindy aka Cynthia.
