“ Our hearts are broken at the news of Louise's passing. She was the brightest light in any room and always had a smile on her face. We will forever remember her as the belle of the ball and the happiest lady around. She loved her family beyond measure and never missed an opportunity to tell us all about her loved ones. On a personal note, I have never, in my nine years of working at the Senior Center, seen anyone take better care of a loved one than you did Ann. Your Mom was so thankful for you and commented to me on many occasions that your loving care on a daily basis meant the world to her. You girls followed her wishes right up to the end and I know she is proud of each and every one of you. She will be missed beyond words.

“ During this time... There will be hugs. There will be tears. There will be people who don't know what to say. And some who can still make you laugh... There will pictures and keepsakes. Memories and stories-. Some you've never heard. And some you could never hear enough. There will be sorrow. There will be celebration. But most of all, there will be Love. The kind that never ends. With Deepest Sympathy. Love to you all Susan Brys

“ *What a beautiful, caring and loving soul. We are honored to have been given the opportunity to spend time with her, and share our lives with her. Although we are not related, she was “Mom” to me (and Jeff) and a wonderful “Grandma Gleason” to both Alex & Jessica. We love her very much, and will miss her. The Brinker’s*
