“ Dear Polt family,

I am sorry to hear about your loss. You were so blessed to have your mom with you for 95 years. I remember her being a very sweet person and I enjoyed any time I spent around her so many moons ago. I am sure her death leaves a hole in your lives. Hope you are all well and taking care of yourself.

“ I am so sorry to hear the loss of your mom....my second mom growing up on Carrie Street.

The smell of home made gwumpkies (golabki) from the kitchen or a cake baked (from scratch). I remember lunch with Liz and our crusts would be cut off the sandwich, special things like that from Louise. She also had Nestle Quick or Bosco for our milk.

Louise was pretty patient with us most of the time except for the time I was driving and Liz opened the car door and hit her mouth on the pavement.....boy we did hear about that one from her.....but she forgave us....lol

All the fond memories from our early childhood of her. Only sorry to have missed the other years. I am sure we could have found something to do to get her laughing.

Now she is with "Mr. Frank", doing her crossword puzzles watching down on us. You are all in my prayers.

Love, Karen Mannella

“ My deepest sympathies for your loss. We can find comfort and take refuge in God's Word where it says that the time will soon come when our loving Heavenly Father will swallow up death forever (Isaiah 25:8). And John 5:28,29 holds out the hope of a resurrection to life on earth (Psalm 37:11) free of sickness and death (Isaiah 33:24, Revelation 21:4). May this bring you a measure of comfort at this time.
