“ *Dear friends,
There was never a time when I saw Lou that he didn't speak to me. Although a quiet man, he would share words with me. He was a dignified man and one who loved the Lord. I can still picture he and Trudy in their particular pew at church. You will certainly miss him, but thanks to the Lord's saving grace, he is now with Him whom he loved and served.##imported-begin##Florence Wicklund##imported-end##*
