“ *My brother and I would like to send our condolences to the family. I used to take organ lessons from Mrs. Zanger when I was young. She was a very sweet lady and I learned how to play because of her. She was a very patient teacher.*

My brother (Craig Muraszka) was friends with Paul growing up and he sends his sympathy as well.

We are very sorry for your loss.

“ Great Aunt Lucille always had a smile and the funniest laugh. My greatest memories are of her and Steven visiting for Christmas. The box of Lifesavers stays in my memory always. It was one of the rare times we got candy all to ourselves! I love you and miss you!

“ My sympathy to Lucille's family. Lucille and I are first cousins. Her father and my father were brothers. I am 15 years younger than Lucille and I was told how much I looked like Lucille. I considered that a big deal. In recent years we corresponded and I saw her when she would come to visit Gladys. I enjoyed being with her as she had a great sense of humor. To all of you, may your memories comfort you. Your faith will guide you. Prayers for all. Joyce Wolverton, Naples, Florida
