“ Thinking of all of you at this time of loss. No words can express the sorrow you are now feeling. Mothers are the heart of a home and losing them brings so many feelings that can't be put to words. Our thoughts and prayers go out to the entire family. Mom is now resting in peace. Love to you ALL.....George & Teresa Opolski

“ Thinking of you all at this time of loss, and trusting that God's grace will hover over you during this difficult time. What a blessing to have had your mother and grandmother for so many years, and to have created so many beautiful memories. May she rest in God's enfolding peace, and may all of you feel the peace that passes all understanding, knowing that in her rest she, too is at peace. From Jennifer's photos and posts, it was clear she was so very loved, and you all can take comfort in knowing that she must have felt infused and graced by your warmth and loving kindness always. My heart is with you all, and my prayers are for your peace, as you gather ever closer in the remembrance that life is precious and love is a gift. With all my love, Janina xoxo
