“ *I LOVED participating in volunteer events with her, last spring the most recent. She was a kind, loving, resourceful, woman who had a very interesting life. We both have a passion for cooking and I loved exchanging cooking techniques with her. I also enjoyed our conversations at family events. Her lack of presence will definitely missed at annual fundraisers she loved to help out with. My deepest sympathy goes out to all her family.*

“ Hi Mike, So very sorry to hear about your mother's passing. It was so nice to get a Christmas card from her and hear about the family, but the thing I will miss the most is you bringing me her homemade pierogis. My condolences and prayers to you and your family. Take care Jim Vlcek.

“ So sorry for your loss. She was a kind, gentle and loving lady. She was ready and willing to help anyone in need. Many years ago she used to babysit my brother and I. God Bless Lu. She will be missed. Lu, you are now being reunited with your loved ones. Love you, Cassie.

*Lu will be remembered as a kind and loving neighbor. She gladly walked Yogi every day that it didn't rain. Her face radiated the joy she felt as they headed out together. We loved her*
