“ Luray was the mother of one of my best friends since grade school, Walt. Luray was always so nice to me and had a great sense of humor. I don't know how she put up with me, Walt and Ed wrestling around the house when I would spend the night at their house on the weekend as a young teenager. I think she must have been a saint.

*I will miss her and am keeping her and the family in my thoughts and prayers.*

*Walt, let me know if you need anything.*
