“ *My heart aches to hear of Lynne's tragic passing. I have many fond memories of Lynne, she was a beautiful person. I remember camping back in the day, in up-north Michigan, listening to her sing around the campfire, vacationing in Kentucky and spending Thanksgiving in Florida. Lynne was my maid of honor when I married in Tennessee, she was a really fun person to be around, always smiling. It is with great sadness I am shocked by this news, my heart goes out to her family and to everyone who loved her.*

There are no words. I am profoundly sad to learn of Lynne's passing. She was like a big sister to me in hanging out with the quey gang and have many beautiful memories of her from then and when we worked together at BBDO. She helped me move into my house even though she was VERY pregnant with Arianna. And the entire family is in my prayers to lose such a warm light.
