“ Aunt Lynne was always so much fun and so full of laughter and love. The positive effect she had on people was amazing. If I could I would tell her that I love her and thank her for all the times we've shared from my McDonalds birthday party as a boy to her being there for my own sons birthdays. Aunt Lynne was so special and will be greatly missed.

“ *Just always fascinated with the twins. Both in band? & since band was like a family within a school family, we had our own close group. RIP, my friend. 💕 To the family. June Sullins*

“ I met Lynne when she gave me my first job at the Dairy Queen in 1996 when I was 15 years old. I worked for her for the next 13 years, and I have considered her my friend for years after. Lynne has a great influence on my life, supporting me through the growing pains of moving from an adolescent to an adult. We had fun working together, "learning life skills" at the Dairy Queen. I know how to fix toilets, paint, and patch holes in walls, all thanks to her DQ "life skills" classes. My favorite day to work with her was Paczki Day. I always admired Lynne's independence, faith, and giving heart. Both of my siblings worked with me at the Dairy Queen, and we still laugh and share stories from our time there. I will miss Lynne so much. I feel very fortunate to have known her as both a boss and a friend.

“ I was blessed to have known Lynne 11 years. We became such great friends so quickly and easily, it seems as though we have known each other our entire lifetime. Always looking forward to the next time we would get together. Whether we went out to eat, played golf, played games or visited wineries - so many memories - so much laughter, so much fun. I will always cherish our friendship, your easy laugh and your smile. Miss you dearly. Love you lots Lynne!

“ I've known Lynne for over 45 years. We met while working at McDonald's. We had some wild, crazy and fun times over the years that I will always treasure. We always shared lots of laughter. Lynne is the nicest person one could ever hope to meet. She always had a smile on her face and would give you the shirt or hoodie off her back if you needed it. Heaven is gaining a very special angel. Lynne, I will miss you dearly my friend! Love you always!

“ Lynne was hands-down one of my most favorite humans on this earth. She will be missed by so many because she was so loving & giving & hilariously funny. I'm beyond grateful that my kids got to finally meet her, as they will always remember the lady who let them make their own ice cream.

“ We had known Lynne for over 40 years. We met her, Mary Ann, Susan and David at Salt River Lanes. We became friends from there and started playing poker as a group ever since. I bowled on a women's league with Lynne and Susan later at Imperial Lanes. She was a very special lady. One of the kindest and sweetest women we have ever known. Anyone who met her will know how much of a void she will leave in their hearts. We will miss her sweet disposition and her beautiful smile and the nourishing and caring she had for animals. We will miss you Lynne every day from the bottom of our hearts. We love you.

“ When I think of Lynne these words come to mind. Independent, hard worker, great sense of humor and a heart of gold. We shared a lot of good times. I wish we had more. Rest In Peace, my dear friend and May God rest your soul 💕💕

“ If it was your birthday.... Lynne always brought you a cake to the bowling alley.... we were the "dairy queens". Even if you didn't have a birthday during the bowling season... Lynne had you pick a "fake birthday" so she could bring you a cake. So what do you do.... when it is Lynne's birthday???? Cupcakes.... of course!!! Looks here like she was a little leary on my baking skills!!!

“ I have been friends with Lynne for many, many years. She was always there for EVERYONE!!! We will really miss her. Lynne did not like to have her picture taken. But she would always allow it.... but would ALWAYS say..... this is for the "funeral board"... so I had to post these pics. I know she smiling down on us today.
