“ Dear Madelyn, you were my sweet friend. I will miss you so much whenever Maria has family doings and you are'nt there. I'm sorry we did'nt live closer to each other to visit more often. Whenever I came to visit from Florida...you made it a point to be there for me.

I Thank God for taking away your long endured suffering. You will always be in my heart and in my prayers. Save a place for me so that we can resume our friendship forever.

I love you...always Joy##imported-begin##LETIZIA IOPICCOLO##imported-end##

“ My Dearest Aunt Madelyn, We are all so sad and a void is left in our hearts and our lives with your passing. I will always remember visits to your house when I was young, celebrating holidays together with our families, seeing you often at Grandma's house and our special times together. You were not only my Godmother, but also a very special aunt to me throughout my life. I will miss you dearly. I believe you are now completely happy and reunited with Uncle Gene, your parents, all of your siblings and many friends who were waiting to welcome you to Heaven. I know you have not left us, but are now watching over us from above. You and your family will remain in my thoughts and prayers forever. Love always,
