“ *While I didn't know Marcy, I know her husband Bob. Bob, I am so sorry for your loss. My heart breaks for you. I will keep you in my thoughts and prayers during this terrible time. I spoke to some of the old "Maher" people and they all expressed their sympathy.*

“ *Heaven has received an angel for sure. 48 is way to young. It was such a shock to here of Marcy's passing. Marcy and I went to high school together. I met her entering the Jr. High after attending another school out of the district. Marcy was very approachable and friendly. What a beautiful person inside and out. Rob, you and the Zito family are in my thoughts and prayers.*

“ I can't begin to explain what Marcy meant to us. She was the most loving, giving person I know. She and Rob are more than just our next door neighbors. They are like family, my son calls them aunt and uncle... Marcy gave my son his first haircut and when my mom had started to lose her hair during cancer treatment Marcy shaved it off for her... She gave Charlie a treat one time and after that their love affair began.. Rain, sleet, snow Marcy didn't care she always came outside to Charlie's bark... His special "Marcy" bark, he loved her so much... We've had so many conversations over the fence all these years, I will miss them tremendously... These last 15 months seeing Rob and her family rally behind her and support her was AMAZING.. She was loved by so many and we will miss her so much.. Love and prayers to all of you

“ I was lucky enough to be invited on a girls weekend up-north to my cousin Bonnie Kimmon's place. Marcy was one of Bonnie's close friends on the trip. Marcy was so kind, friendly and funny, from that moment on I was honored to call her my friend. Some of my favorite memories are of us sitting around the table playing cards, having a few cocktails and laughing so hard my stomach hurt. I will miss her dearly. Hugs and prayers to her family at this extremely hard time.

“ I have many memories of Marcy growing up. But, what I remember the most, she was never unhappy or not smiling. She was always happy in my memories of her. She had a smile that would light up a room. I also remember her playing the flute with the windows open at her house on Maplegrove. I remember it so much she played her flute at our wedding.

Our deepest sympathy to all. Dena & Dave Stackpole
