“ Mardelle was a great friend in High School we always did a lot of fun things and had so many laughs. Always smiling and so kind. In the last few years all of girls reconnected and met for dinner a few times.

“ Mardelle was very personable and loved her family and spoke of children at the TipToppee events. She worked for the United States Postal System. I'm sure she was well thought of. I know her family and Bob will miss her terribly. We will all miss her sweet pretty smile. God be with her spirit. it's such a shock as she was so healthy. Rest in the loving arms of Jesus Mardelle.

Sad to see she is gone now. So far, far away. It is so hard to think of her as gone and never see her loving smile again. I wish you the best always Mardelle. I also gave my love to all the other Tip Toppers that were so kind and welcoming to me. The ones that are here and the ones with Mardelle
