“ *Dear Lorraine and family
As you mourn the loss of your mother, know that my sincerest condolences are with you. I know this grief too. In those hard moments, be aware others care and understand all too well what you are going through. Much love to you.

“ We met this lovely woman only once and it was a great pleasure, I would love to have sat with her for another few days to just talk and tell me of the Family she knew and remembered well. I searched for twelve years and after all this time I only had three hours. It is a time I will remember forever. My condolence to Lorraine and Gary and all the family.###imported-begin##John - Bonita Shapter###imported-end##
