“ Hugs to Kathy, Ed, Cindy and grandkids. Aunt Peggy imparted a lot of stories to us kids about family and gardens. I donated in her honor to Blandford Cares's fundraiser for Care4Calais, my friends' mother's non-profit.

“ Aunt Peggy was always a great aunt. I remember riding my bike to the Dion home when I was young and she always had a cold pitcher of water in the 'ice box'. She was always interested in how the family was doing and prayed for everyone. Her faith was deep and carried her throughout her whole life.

Aunt Peggy and I shared a love for cowboy/western stories. She passed the books she finished down to me with instructions to pass the book along to someone else.

In the early 80's she sent me a positive little note about how she thought I would be good in sales. I kept that in my desk for over 20 years.

She will be missed my many but I am positive she is thrilled to join Uncle Jerry

“ *Margaret was ten years older than me. When I was a child of 3-4 years old she would give me an empty ice cream cone and they tell me I never knew the difference.*

Peggy, as we called her, was always good to me and offered to pay for me to take a trip to California when I was about 12 years old with my aunt Mabel but my mother shot that down.

When we went to NYC in 1955 she made sure I saw all of the great sites.

She will be missed.
