“ I am sending my warmest heartfelt sympathy to Margaret's family at this sad time in our lives. I remember her fondly as like my mother. I lived across the street while growing up and She was a wonderful special friend of our family (Horak) She was my moms best friend and was there for us at any time. I remember when she took me to the Hosp the day I broke my collar bone falling off my bike. I have warm memories of being in her kitchen smelling her cooking food for her family. She will always be in my heart. Comfort to her dear family and extended family. She is in Heaven with my mother now, sharing memories and drinking coffee. Debbie Burnett (aka Darcy)

“ There is nothing that can be said that would replace the friendship of the 50 years with margaret she was a one of a kind friend to me and our entire family. I did visit her when ever we came back to michigan and allways we sat and had a few laughs about the old times when we were kids living across the street . We loved her like a mother and she loved us like her own kids thats becuase in days past neighbors were not just neighbors but family . Rest in peace margaret we will miss you and love you forever and a day
