“ *Mom I will always be forever grateful for the time I have gotten to spend with you and Dad these last four years. I wouldn't have changed it in a million years. Both of you have amazed me with your resilience and strength. Your love for each other showed each and every day how dedicated you were to one another. May you be reunited and happy together for all eternity. I love you both beyond infinity. Fly with the angels and be happy. Your Loving Daughter, Marilyn*

“ *I will always remember Marge talking about lighting candles at church for her children to get married so she could have grandchildren. She had an amazing sense of humor.*

Marge was my Godmother. I loved her sense of humor, her love of her family and her love of life. I truly will miss her.
