

## Margaret Ann Jaklic

April 1, 1946 - November 30, 2025

Born on April 1, 1946 to Leslie and Rose Karkeet, Margaret passed away peacefully on Sunday, November 30th surrounded by those who loved her.

She was the baby sister to Jeanne Gunter, Guy Karkeet (Delphine), and Joan Ferrilla (Frank). Beloved Aunt of Diana, Brian (Anne), Kathleen, Keith, and Christopher.

She was passionate about animals and supported the Michigan Humane Society and ASPCA. Her most important role in life was being a Mom to her beloved kittys Sweety, Angel, Tabitha and Samantha--they were the center of her life and she loved each of them with all of her heart.

She worked for the Michigan Secretary of State for 19 years as a Customer Service Specialist--it takes a special kind of person to do that job and she truly enjoyed it and loved people.

When she retired she found Facebook and enjoyed reconnecting with old friends, making new ones, and discovering a whole new world of Elvis. Those who knew her, knew the only other passion in her life was Elvis! She fell in love with him and his songs as a teen and carried that spark deep in her soul.

Margaret was privately put to rest by her family. She will be deeply missed and

lovingly remembered by everyone.

Memorial contributions may be directed, in Margaret's memory, to the Michigan Humane Society <https://tinyurl.com/Margaret-Jaklic-donations>

“ Margaret was my employee at Harper Woods and Warren Secretary of State offices. She was an excellent employee but more than that she was my friend. We shared a love of cats and especially Elvis. I will miss her comments von my Facebook page. First in peace Margaret, you will be missed.

“ I remember when she worked at the Secretary of State on 12 Mile and Dequindre and I went there to get my Driver's license renewed and she waited on me. She took the best picture I ever had on my Driver's License.
