“ *To The Most Grand Person Whom This Earth Was Ever Blessed With, My Mom!*

*Mom, I know you won't hurt anymore
and for this I am glad
B'cuz seeing you suffer so much
Made my heart so sad*

*The memories you blessed me with can compare to no other
and the most precious gift you gave me, was being my mother!*

*You were always there for me from the very start,
With open arms and an open heart*

*Even all my rough roads along lifes' way
Your encouragement and faith you taught me
Wrapped each sunrise, day after day*

*So Mom please know, that you'll always be hear in my heart,
Whether I'm close or memories apart*

*Now that you joined Bob and you both are all in your glory,
Just remember this is not the end, but the beginning of another
story.*

Please guiding me, Mom~

*Love, Prayers and Hugs,

“ Dear Judy & Susan,

I am so sorry to hear of your loss! I received the call late last night. No words can express my feelings right now. Your mom & grandma was my grandma! She had so much love in her, she could conquer the world!

Grandma Marge was the epitome of love. She touched my life when I felt I had no one. She helped me at different stages of my life.

I have so many fond memories of her & the farm that I still talk about this day!

Funny how time flies! I was just thinking about her the other day & making plans for my summer trip to MI to see some friends. Time is so short & precious!

I'm sorry that I will not be able to make the trip in time & I will be in contact.

You may also contact me via my email address.

I have so much to say,

My love, thoughts & prayers are with you & your family right now. May the Lord strengthen & comfort you!

Love

“ There are so many pleasant memories, but the one that typifies Auntie Margie the most was just recently. My son, sister and I stopped to visit and to see how she was doing and despite our arguments, Auntie Margie insisted on fixing a meal for us, just as she has always done! This she had done for as long as I can remember. She always cared for others before herself. She was so much like my grandmother (Josephine) and her sister, but then again that was the Michalak legacy. We all have to carry that on and pass it on to the future generations. I believe that would be what Auntie Margie and those who have gone before would want. You will be sorely missed, but the memories that we will always carry with us, will keep us going until we once again will meet for a the grandest family reeunion of all. May you rest in everlasting peace!

Love always and forever,
Your nephew MIKE###imported-begin###Mike Thompson###imported-end##
