“ Aunt Margaret was a great person. She was so caring and supportive when my mom was sick. She was a hard working mother and a role model to others. She would always tell me how much she loved our family at gatherings and we loved seeing her. She had a warm smile and a heart of compassion. We endured a similar health journey with my father and even though we are glad they are no longer suffering, we still miss the opportunity to hold their hand. She will be greatly missed and we pray that God comforts all that mourn her loss.
