“ *My dear Grandma Plizga; thank you for all the lovely childhood memories. I especially remember the delicious meals you cooked in the basement and all the fun family get togethers we had there. I loved sleeping in the attic and can still smell your sweet home. I remember how comfortable and safe I felt and I always felt God's presence there with us. I remember you always having sticks of gum in your purse, silver dollars to share, and delicious cookies in the oven drawer. Thank you for raising such a wonderful lady who grew up to be my Mother, who was wise enough to choose my Father and your legacy of a loving family continues on. I love you and have missed you and Grandpa for many years. I pray for your peace together for ever with God our Father.##imported-begin##Kelli Furton##imported-end##*

“ How blessed I have always felt to have such a loving family to share all of the sweetness of life with. Some of my favorite childhood memories are days we went to visit my Grandma and Grandpa Plizga. Going to visit Grandma at Federal's, or walking down to Burler's. Never understanding why the Dairy Queen just across the street wasn't open in the dead of winter! Then the whole family hanging out in the basement visiting and eating pierogi's. Grandma, I have finally gotten down the skill of Pierogi making and I will be handing it down to my daughter as well as your grandchildren Courtney and Robert. We have been missing you for a long time. But you will remain in our fondest memories forever. I pray that you are resting peacefully with the Lord, and Grandpa finally by your side.##imported-begin##Karen Furton-Sparks##imported-end##

“ P.S. I, too, visited Margaret and Walter with my parents and Sister Shirley. I inadvertently left that out in my previous email! I also wish to add that Margaret and Walter were wonderful, hospitable people.##imported-begin##Betty ("Betsi") Flisnik Traher##imported-end##

“ Margaret and my mother Mary Flisnik were friends. They worked together at Federal Dept Store in Hamtramck. My Mother, Dad (Joseph) and my Sister Shirley visited Margaret and Walter on a regular basis. Somehow the years separated us. Mary died in 1987 and Joseph in 1999. Shirley and I send our heartfelt condolences. God Bless.##imported-begin##Betty ("Betsi") Flisnik Traher##imported-end##

“ I will always remember the Hamburg house and all the family gatherings in the basement. Sharing space in the attic, and the wonderful smells of marigolds and dill in the yard. Grandpaâ€™s endless jars of nuts and bolts, the garage swing, eating fresh pears from the tree, and all the wonderful homemade noodles and endless other delicious meals lovingly prepared by Grandma and others. I miss the wonderful neighbors who always made our family welcome with their own special gifts and treats of homemade food specialties. We are truly blessed to have these memories, and Iâ€™m forever grateful to my loving parents who made the effort and traveled so that we could share our childhood with family and friends. Grandma, you are finally at peace and in a place with our Lord that we who remain can only imagine.##imported-begin##Kathy Green##imported-end##

“ All that I am and all that I will be is directly reflected in my upbringing. My family is close because we were always close. Every time there is a pierogi-making party you are remembered and we are ever so grateful. I can love because you showed me how. The tears I now shed are tears of joy because you are finally at peace, with daddy. Tell me mom, how beautiful is my little Deanna Eileen?##imported-begin##Eileen Plizga Furton##imported-end##
