“*I extend to all of Margaret's nieces and nephews my condolences. Margaret was a fine lady. I met her over 4 years ago where I stopped by her house in hopes of gaining information on the Brinker family genealogy. She was very nice to me and I met with her several times where she shared many memories of Detroit and the east side with me. I gained a wealth of information from Margaret which I am very grateful for. We spent warm afternoons sitting outside her front door on the steps where she still wore her older winter coat. We talked about the Chrysler plant where she once worked as did my elderly cousin.###imported-begin##Jill Gasowski###imported-end##*”
