

Margherita Sieli

August 9, 1935 - April 24, 2024

On April 24th, 2024, Margherita "Margie" Sieli (nee Soresi) passed away peacefully and became reunited with her beloved husband of 59 years, Nino.

She was born the eighth and final baby on August 9th, 1935, into a large Italian family. After graduating high school, she worked at the Federal Reserve Bank in downtown Detroit. She got married and had three beautiful children Paula (Timothy) Capo, Janise (Peter) Ventimiglia and Anthony (Tammy) Sieli.

After she raised her children, she worked at Arena Bridal & Formal for over 40 years. During her retirement she volunteered at Henry Ford Macomb Hospital. She was the perfect grandmother to Cameron (Mimi), Elizabeth, Gina, Aubrey (Ido), Margaret (Joseph), Tifani (Phil), Tara (Justin), Antonia (Abrar), Anthony (Lindsay), and Patrick. She was ecstatic to welcome each of her 16 great grandchildren into her life: Nino, Julian, Sammy, Piero, Olive, Rosalie, Petey, Allie, Antonia, Ido, Joey Jr., Nora, Phin, Sisi, AC and Vernon. The love she had for her family was boundless and she never missed an event for any of her children or grandchildren. She was at countless sporting events, recitals, concerts, weddings, communions, baptisms, birthday parties, graduations, showers, holiday celebrations, family dinners and more.

Margie will be remembered for her spunky personality, one-of-a-kind voice, singing, love of books and creating the most memorable family gatherings and

holiday traditions that will be passed on for generations to come. She was a devout Catholic and lived her life through God. She was loyal, a great listener, patient, she had a way of making you feel like the most important person, she was safe and consistent. She always grew basil and made plum cakes in the summer, took her family apple picking in the fall and hosted Christmas Eve. She baked dozens of cookies for Christmas to make sure everyone had their favorites. She was easy to love and will be missed beyond comprehension.

She is predeceased by her parents, husband, seven brothers and sisters and many close friends.

We ask that if you plan to attend and are willing to share, please bring a card, pictures, or memories that you may have. Margie loved cardinals and believed they were a message from heaven.

“Margaret sieli was one of the most greatest grandmas I've had, she was blessed from above with a soul of light that will be passed on with our heavenly son and father, I couldn't have asked for a better grandmother and father like these 2 individuals. Great grandma was a very blessed woman who had thought of everyone in each individual way. Along with her husband Nino sieli (great grandpa, hot poppa), he was a very wise man and I couldn't ask for a better grandpa than him. The 2 had very extraordinary infatuations that turned into kindness that spreaded the family's spirit. They have put effort and thought, working in 2 same ways on every Christmas, summer, Halloween, 4th of July, and birthdays of any individual in our family. The food they made couldn't have tasted and felt any better to eat. The gifts brought to us from them were thoughtful and worth our lives. For the relationship with our great grandparents spirit have made such a family with 2 grandparents and blessed sons and daughters. We have made many memories that will never be forgotten. Until we join the 2 greatest souls that made this family a perfect idol of gold, may the 2 Margaret sieli (great grandma) and Nino sieli (great grandpa, hot poppa) rest in peace and spend they're eternal time with our heavenly son and father until we join them in a bright future 🙏
