“ *Lenie was a spunky lady who loved life and loved people. We are privileged to have known her and to have shared good times as Winter Texans. Each time we dance to the Spanish Gentleman, she will be on our minds and in our hearts. She fought a good fight and showed the strength of her faith and her courage to all. We are so happy she was able to come back to Texas last winter for a visit-- special memory! Our prayers are with the family as they face a future without her daily physical presence, but I'm sure she lives on through her family and friends in hearts and in love. Sending hugs. “ *The world is a much better place because of the life of Lenie. She was one of the warmest, most beautiful human beings I've ever met. Her influence will live on forever. I am deeply sorry for your loss and I pray that God holds you in his comforting grace.*

“ *Tony,
Our condolences to you and your family. Lenie put up a courageous
battle.*

*John and I enjoyed the time we spent with you two in Rockport, and
are so pleased that you were able to visit last winter. The time spent
on the dance floor was great...lots of smiles and laughing! Lenie
always had a humorous story to share that brought joy to everyone.*

*May you and your family find comfort in the times you shared and
the happiness Lenie brought into your lives.*
