“ Dear Aug and Family...

*So sorry to read of Mary's passing in the paper. My friendship with Mary and Aug go back a long time. Their first home was a flat on Nottingham that they rented from my parents, and with their living upstairs from us, I got to be great friends with them. Haven't seen Mary in many years, however occasionally she would give me a call just to chat, although haven't heard from her in a couple of years. I just wanted to offer my deepest sympathy to Aug and family, as she was a great lady who in my life had ,much fun and many laughs.*

“ Uncle Aug, Mark and Robert, My deepest sympathy goes out to all of you and your families. It seems like just yesterday we were listening to Chuck Mangione, and watching ducks run thru your yard while your mom forced us to eat popsicles and any food she had even if we weren't hungry. Aunt Mary always made me laugh. She will be missed dearly. Lots of Love, Dee##imported-begin##Diane (Rosati) Walczy##imported-end##
