“ Marion and my mother Ethelyn (Etsy) Foley grew up together and were lifelong friends including maids of honor in each other's wedding. Mom was reminiscing about her friend and we researched to find Marion had passed. Our heartfelt sympathies to her family. Mom is 98 also at this writing and want to send her love. I remember the Pechurs well when they'd visit us in Traverse City. We now live in NC.

“ I am the daughter of John's cousin Mary Jane (Baker) . I remember visiting the Pechurs when they still lived in the flat. Such a smiling happy Lady. Whenever my parents partied with them, it was a loud and joyful time. My condolences to their sons and the rest of the family. Mothers are the most precious people in our lives. Peace be with you.
