“ *While I didn't know Miss Renzi personally I sure feel like I did through her son Jim. I know that she was a very selfless, kind, generous person who loved her family and considered others before she thought about herself. I have heard many many stories over the years all of them good. So, I salute you for the long life you were blessed to have and for all of the lives you touched.*

“ *Auntie Mare, you were apart of so many important times in my life. Moving away has been hard. The boys have grown into men now. We speak of you often. We reminisce about the times they slept over your house. All the special treats and toys you bought for them. You took the place of their grandmother, and for that I am forever grateful. I will miss calling you, hearing your voice. Knowing you were a phone call away gave me comfort. We are at peace now knowing you are back with the loved ones we lost. Know we carry a special place in our hearts for you. Toot Awootie, as you would always say. All our love, Kelly,Denny and the boys.*

“ *O Lord, you are my blessed hope. I pray that your face would shine on my Jim's dear mother, who has left her mortal body. Deliver her into your glorious heaven and shelter her soul under your wings, for blessed are those who die in the Lord.*
