“ For years and years and years (and then some!), Marianne diligently served the Eastpointe community in their municipal and district courts. She intensely cared about the details and accuracy. She was an upstream problem solver before it was written in books and became popular. I always had an idea of where I stood with her from the look from her eyes. I learned things from her that I still share with others when the opportunity presents itself. So lucky was I that our paths crossed when they did. Godspeed and belated thanks, Marianne.

“ Dear Dan, Brian, Melissa, Jeff, Shane, and Jake, I cannot even express the deepest sympathy for the family. Marianne always was a true friend, loving friend. Friends are very hard to find. I loved working at the Court with her, playing rummy at lunch and our lunches. She truly loved her family..I loved when she would come in after Easter and tell us how she hid the Easter baskets for the boys. How proud she was to have Melissa as her daughter. How proud she was of her sons. The love for Dan is unexplainable and the wonderful vacations with the hubby.

Gene and I will miss her. We will pray for the strength you need during this hard time.

As Marianne would always say,

Love Ya.
