“ I have lost a true and faithful friend. I live 4 hours away so didn't get to visit her as much as I would have liked, but we did talk on the phone. Marie was moved to the West side awhile ago much to the disappointment of her closest friends. When she was in Shelby she was close for all of her friends to visit but after she was moved she was an hour away, making it more difficult to visit her. My sympathies to her friends and family. She was loved by all who knew her.

“ *To all the Hester family, I am so sad for this news and your loss. As Dorine said, she was one of the most caring and loving "Aunt". So many memories come to mind....Great times with great friends. She will be missed just like Uncle Robin. Sending hugs.*

“ *I am so sorry for your loss, she was truly one of a kind and made people laugh and smile all the time. One of my funniest memories was when I was little and her and my mom would get together for a "hair" day. You never knew what color they would come back with but there were quite a few shockers through the years.... I always enjoyed spending time with the Hesters, our extended cousins.*
