“ To the family. I have known Bill & Marie since the middle 1950's. Bill and I attended the same church throughout high school (Carr Central High School) and college (MS State). The couple, living in student housing at State, would often give me a ride home on weekends with the twins in the back seat. When Marie would have to turn backwards to change diapers I recall double amber streams showering us in front! What beautiful boys! The entire family was so precious, loving and giving. Gary, your mom told me that Bill wanted to name you after me. I was, and am so honored.

Marie was a year ahead of my wife, Patricia Murphy Millett, at SFXA and were good friends. Pat & I visited with Bill and Marie during their 50th class reunion in Vicksburg. We will always cherish the memory and the joy of knowing your parents. Our hearts and prayers go out to you as we share in this loss.

“ My husband and I knew Bill and Marie through the North Channel Yacht Club and enjoyed their company very much. Bill was a wonderful gentle-man and Marie always had a big smile for everyone. It was very obvious that they were a loving couple. Marie missed Bill so much after he passed on. I know they are together now forever. May your love and memories sustain your family.
