“ I was a client of Marie's at Profiles for a long time...I always looked forward to my appointments because because Marie had such a bright way about her - she knew how to keep things REAL and I appreciated that about her so much.
I hope with all my heart that her family is comforted by knowing what an incredible impact she made on so many, just by sharing herself with them. I'm honored to have had the chance to know her. God Bless you, Marie.###imported-begin##Tiphanie Benoit###imported-end##

“ *"The song is ended, but the melody lingers on..." (Irving Berlin)*

The melody that is Marie will forever live within me. I cherish our time together and the memories we made. Marie gave to me and I gratefully accepted. I love you, Marie and celebrate your life. I will miss you my dearest, dearest friend, until we met again.##imported-begin##Lori Zamiska##imported-end##
