“ Hi everyone, first please let me say Kath's & my hearts are broken for my brother Brad's loss of his best friend & wife. Working with so many fine folks at the Fire Department like Brad, we all became family.

I always called Marietta "Georgia", they both seemed to like that. Occasionally I would text Brad a link to Ray Charles song "Georgia On My Mind" and ask that he play it for her. He said that she really liked that!

Last year Georgia came to visit us in FL without Brad for a girls weekend that she had really been looking forward to. When she arrived I went out to carry her suitcase in for her. When I bent over to pull it out of her car I had to strain to lift it. I asked "what the (%@#*) do you have in here, Georgia?" She looked down for a second, and in her quiet voice said "bottles of liquor for the girls!" And so started her girls weekend! I know she had the time of her life, as did her friends! It was a real high point for Kath & I to have her stay with us!

I still have the bleeding heart plant you gave me for Mother's Day that I'm planting at my new home. I know you are in God's hands, no more treatments no more pain. You never complained and were always positive! Prayers for you and your beautiful family. 🌸🙏🌸*
