

Marilyn Dziadzio

August 31, 1940 - August 29, 2017

Marilyn Dziadzio (nee Sawka) was born on August 31, 1940 in Omer, Michigan to Jacob and Mary (nee Suszko) Sawka. Marilyn passed away on Tuesday August 29, 2017 at Crittenton Hospital.

Along with her brothers Richard and Jacob, Marilyn grew up in Detroit, Michigan and graduated from Pershing High School in 1958. On July 23, 1966 Marilyn married Norman Dziadzio and recently celebrated 51 years of marriage. Marilyn worked both at the Detroit Board of Education and also at the Macomb Intermediate School District as a paraprofessional, helping children with special needs. Marilyn considered helping these kids, often overlooked by society, as her mission.

Marilyn is the beloved wife of Norman. Loving mother of Laura (Amit Hajra) Dziadzio of Roanoke, VA, Linda (Frank) Fontana of Naples, FL, and Michael (Kimberly) Dziadzio. Proud grandmother of Nikhil and Arun Hajra, Christopher and Andrew Fontana, and Megan and Katie Dziadzio. Dear sister of Jacob (Delphine) Sawka of Brighton, MI. Dear sister in law of Carol Sawka of Point Blank, TX and Edward and Cynthia Dziadzio of Canton, MI. Loving aunt to several nieces and nephews. Marilyn was preceded in death by her parents Jacob and Mary Sawka and her brother Richard.

Children were Marilyn's passion and her family was her pride and joy. She

often regaled us with her mantra "Have fun - BE GOOD"

“ I have known Marilyn since 1959 when we worked in the Personnel Department of the Detroit Board of Education. She organized our "Mature Girls" group, which has been meeting every October for over 25 years. Marilyn was always so vibrant and had a wonderful sense of humor so we had a lot of fun. She will be missed. My condolences to Norm and her beautiful family.

“Marilyn and I were cousins a year apart. In fact, we were double cousins; her mother was my dad's sister, and her father was my mother's brother. So we even shared the same grandparents. We were 'buddies' at family gatherings from youth to present. She was my Big City cousin that I looked up to as a kid. So prevalent in my memory is Easter Sunday Dawn Service at the little country church. Actually, everyone arrived when it was still dark for a long time. When we were pre-teens - we were 'praying' (struggling) that we wouldn't get a 'giggling spell'. But one look at each other - we muffled all we could. I remember our families took a trip to Yellowstone Park together when we were young teen-agers. I had 2 brothers about her brothers' age, we would trade parents cars each day to give the other parents a break from 4 boys altogether. Marilyn and I ran into a bear(at a distance) on the way to our cabin. It, of course, was frightening, and we hurried on our way. It was July, but frigid; so we appreciated each others warmth under light blankets. I can't fathom - no more, all too soon. I am so fortunate to have talked with her twice when she returned home from her long hospital stay after the fall. I treasure now, how we both expressed our warm and sincere love for each other. I love her and will miss her so much.

“ It was fun working as a substitute in the *SUBSTITUTE OFFICE* with Marilyn. When she called me out of the blue back in the early 1990's to attend a reunion of former Board of Education secretaries, I jumped at the chance to see her and the others who would be there. Thanks to her perpetual energy and intention to keep the reunions going, we still meet annually. She will be missed.

“ My fond memories of Marilyn go back to 1959 when I met her at the Board of Education in Detroit. We shared the excitement of our new jobs, meeting our boyfriends who later became our husbands, and enjoying our time together every year as the "Mature Ladies" from the Board of Ed would meet for lunch. When we were newlyweds, we would spend time in Fenton at Lake Tyrone with Marilyn's parents. Our friendship has lasted from 1959 to 2017. I consider myself to be so lucky to have had the friendship of such a loving and caring person. May God bless and hold Marilyn near.

“ Mrs. Dziadzio was a wonderful person. She was kind, caring, loving and generous. She was always helping people out where she could. She genuinely cared about everyone and would listen to whatever you wanted to talk to her about. I have many wonderful childhood memories from hanging out at her house that I will always treasure.

My thoughts and prayers are with her family in this time of sorrow.

“ My husband and I are so sorry to hear about the passing of Marilyn. We liked her so much. She was willing to try things, like chair yoga, big trips to other countries, and being an usher at the Fisher Theater. She was so sharing, whether it be a concerned ear, coupons, or clothes. We enjoyed her sense of humor. Our thoughts and prayers are with Norm, who was such a loyal husband, working tirelessly to make her life better.

“ Marilyn---She was the most kind, generous, helpful and caring person you could ever hope to cross paths with. Our Maple Lane family would not have been the same without her. She always had a smile on her face & mischief in her eyes! She will be greatly missed by many! Condolences to the Dziadzo family.

My husband and I are so sorry to hear about Marilyn's passing. We really liked her so much. There was just something special about her. She was willing to try things, like my husband's chair yoga class, big trips to other countries, and being an usher at the Fisher Theater. She was giving and sharing, everything from coupons to clothes. We liked her sense of humor and her honesty.
