*My most vivid memory of Mario was the year that I got him a present in the family gift exchange. One of his suggestions was tripe, so I went to the Westside Market and bought the real thing. Mario was very happy; Do was not.*

*Dear Mario & Family. I was also an associate of Mario's at Marposs back in the late 70's. His name came up in conversation recently. 45 years later, I am proud to mention my association with Mario; as I remember a wonderful, cheerful and delightful personality! I wish I had seen this earlier.*
