

Marion R. Marcelain

December 26, 1926 - April 13, 2024

Marion R. Marcelain was born on December 24, 1926 to William and Mary Hilla in Detroit, Michigan. She passed away on April 13, 2024 at the age of 97 at her residence in Clinton Township.

Marion was never one to sit still. She could often be found shopping or playing bingo with her friends. When she wasn't involved in these activities she loved to travel with her senior friends. She also had a passion for reading and would often start another book before even finishing the one that she was on. It was probably because of this love of reading that kept her mind active and young, even at the age of 97 she was sharp as a tack. You would be hard pressed to beat Marion in a game of Trivia and she would very seldomly lose at a game of Jeopardy. Marion was also deeply committed to her faith. She served as a lector, eucharistic minister as well as a Catechism teacher in the parishes that she was a member of. She also loved the Rosary, a prayer that Marion held so sacred that her family reported her wearing out many Rosaries as she prayed for her family and friends. Marion was a woman of many passions but chief among these was her love of and commitment to her family. She loved each of her children, grand children and great grandchildren and would brag about each of them to anyone that would listen. She left a lasting impression on everyone that she met and she will be deeply missed by all those that knew her.

Beloved wife of the late Lloyd. Loving mother of Denise (the late Edward) Curnow, Robert, Daniel (Kimberly Bell) and the late Eric Marcelain. Proud grandmother of Michelle (Kerry) Byars and Eric (Dayna) Marcelain. Dear great grandmother of Christian Debruyn, Isabella, Jennafer and Winston Marcelain. Loving sister of the late Billy Hilla, Gertrude Bayes and Richard Hilla.

“ My prayers are with Marion’s family during this difficult time. It’s so hard to bear the loss of a loved one, especially one as kind and loving as she. I did not have the pleasure of knowing or meeting her, but I know she is loved very much. She sounds like a woman who lived her life from a heart filled with love and in partnership with God. That partnership continues and expands through the beautiful example she left on this earth. Let the loving and happy memories live in your hearts and bring you strength and peace.
Robert, I love you and pray for your healing, peace, and strength.

Love, Janice Bennett

“ I feel absolutely blessed to have married into this family. From the moment I met Grandma Marion she was nothing but warm and welcoming. I already knew I loved her because of how fondly Eric would talk about her, but he couldn't have prepared me for the absolute blessing she was, not only to me, but my family as well. She made sure our children knew they were loved. I will be forever grateful for how special she made them feel. She will always be in our hearts and live on through her family that loved her so dearly.

“ *What keeps coming to mind when I try to think of special moment or memory is not either of the two, I cannot stop thinking about how I wouldn't be here, how my children wouldn't be here without you grandma. You have built this strong and thick branched tree that will keep growing for years and generations. I cannot thank you enough for warmth and love you showed me throughout my entire life. Thank you for showing me how to truly love family and how important family is. Dayna and the kids love you so much and will never forget how much love gave them and how special you made each of them feel. We love you.*

Your grandson
